Eiken Chemical Co., Ltd.
Representative: Tsugunori Notomi, President & CEO
Securities code: 4549 [TSE Prime Market]

Continuously selected as a constituent of FTSE Blossom Japan Sector Relative Index

Eiken Chemical Co., Ltd. [Headquarters: Taito-ku, Tokyo] announces it has been continuously included in the FTSE Blossom Japan Sector Relative Index.

The FTSE Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies' climate governance and climate change efforts via the Transition Pathway Initiative's Management Quality Score.

The EIKEN Group has strengthened its ESG initiatives, based on its Sustainability Policy, in line with its management philosophy of "Protecting people's health through healthcare.

As a company that protects the health of people around the world, we will continue to fulfil our responsibilities to our stakeholders by proactively addressing issues in healthcare, the environment, society, and governance through our business activities, and will strive to enhance our corporate value and ultimately achieve a sustainable society.
